- If you are coming by Train (Peckham Rye), you exit the station and then head left, you will see macdonalds, and will be on main high street.
- When you head off the main high street, it's the path between Santander and Gym Group.
- You will see Peckhamplex Cinema in front of you please then head to the right and head down the walkway.
- Keep following the signs then you will reach the peckham levels black door.
- Head up the orange stairs to the first level, please enter both double doors and you have reached us. (If the door is locked please just knock).

**Please arrive at 10.00am were we will be providing tea and coffee on arrival.**

### **What to bring with you on the day**

- One the day please bring along a black and white design you wish to print on a USB stick, this will be the image you learn to print with. This design needs to be saved as a high quality file at 300 dpi in a pdf format.
- Maximum Size Artwork: 40cm x 60cm.
- If you are unsure about what you would like to print, then please bring along an inspiration image or drawing as we have some time in the morning to have a play around with different options. You have a chance to draw with Indian ink/ create paper cuts as well as perfecting you image on photoshop if needs be.

**Please wear clothes you don't mind getting inky! We will provide aprons for you to wear.**

### **What will happen on the day**

- We will look through examples of what can be achieved on fabric looking at a variety of techniques using work that has all been created at Print Space.
- We will create designs with a variety of materials and give you one to one feedback on the images you have provided.
- You will then coat and expose your designs on to the screens in our professional wash out area.
- We will then finally go through mixing inks and showing you what you can achieve going through all the equipment and set-up for fabric printing.

### **Outcome**

You will take away 1 meters of an experimental 1 to 2 colour printed design, also as an added option you can also choose a tea-towel or cushion cover to print on and more a gift option all created by you.
